

NEURO GLOBAL Lecture

Prof. Peter Janssen 集中講義

The sensory and motor systems

Speaker

Prof. Peter Janssen

(Katholieke Universiteit Leuven)

Professor in Research Group Neurophysiology

Date

October 10 (Tue.) 10:30~17:30 (including Q&A time)

11 (Wed.) 8:50~16:10

Venue

Graduate School of Medicine (Seiryō Campus)

Main conference room [B10], Seiryō Hall 2F

医学系研究科 星陵会館 大会議室

(星陵キャンパス 星陵会館 [B10] 2F)

Contents

- 1) The visual system 1: primary visual cortex and dorsal visual stream
- 2) The visual system 2: ventral visual stream
- 3) Object recognition and grasping in three dimensions
- 4) 'The cortical network processing three-dimensional object structure'
- 5) The somatosensory system
- 6) The chemical senses and the auditory system
- 7) The motor system 1: cortical processing
- 8) The motor system 2: subcortical processing
